I completed my 4 years education year at the Department of Electrical and Electronics Engineering at Istanbul Bilgi University. I want to implement and manage national and international projects that touch people's lives in a company where I can use my experience, demonstrate my technical knowledge and skills, and be useful. In line with this goal, I continue to improve myself with the principle of life long learning.

Education and Qualifications

- Electrical and Electronics Engineering** Oct 2017 - 2022
Istanbul Bilgi University, Istanbul
- Business / Faculty of Open and Distance Education** Oct 2020 - Present
Istanbul University

Work experience

- Electrical and Computer Engineering Department Intern** Sep 2022 - May 2023
University of Coimbra, Coimbra, Portugal

- Using the EAGLE program
- PCB design

- Software Development Intern** Apr 2022 - Jul 2022
Nettsi Informatics Technology, Istanbul, Turkey

- Using command screen with Linux and mostly used commands.
